THANK YOU FOR PURCHASING TYRI LIGHTS

TYRI Lights are built to the highest standards and use high quality, eco-friendly materials which increase the lifetime of each product and reduce replacement costs and waste.

Using advanced lab facilities and state of the art equipment, TYRI ensures all our solutions meet exceptionally high standards, from development through manufacturing and testing.

MOUNTING INSTRUCTIONS FOR E-APPROVED TYRI LIGHTS

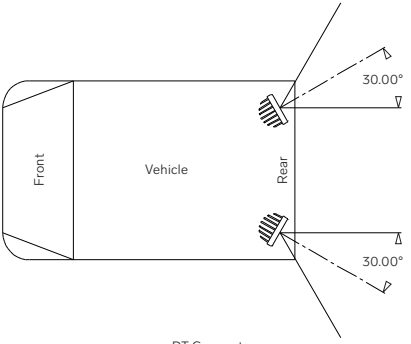

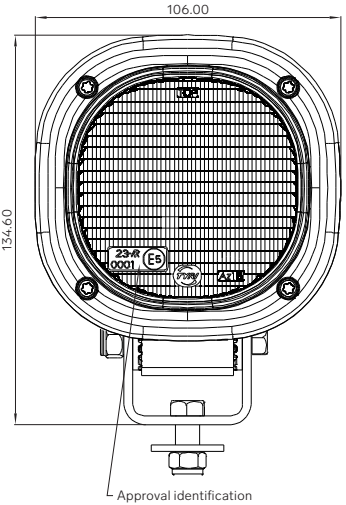

1 X LAMP

The lamp shall be mounted with an angle of 5 degrees to meet the regulations of E-approval.

2 X LAMPS

If two lamps are fitted, they shall be angled out 30 degrees from the direction of the moving vehicle.

DT Connector

A: Positive
B: Negative
